Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Proposed amendments were discussed, more specifically to claims 16 and 22. The Examiner indicated Mr. Spink that the proposed amendments would place claims 1, 12 and all claims depending therefrom in condition for allowance but that amendments to claims 16 and 22, were considered new issues not previously presented that would require further considerations and/or search. Mr. Spink disagree with the Examiner and respectfully indicated the Examiner that he was going to contact the Examiner's Supervisor Brian Sircus to resolve the situation by asking him to enter the amendments and allow the application.
